

Creamy Chipotle Dip by Lynn's Recipes

Lynn demonstrates how to make a delicious Creamy Chipotle Dip that is suitable for a New Year's party or a Super Bowl get together. Only requires four ingredients and super fast to make. Adapted from Whole Foods.

Ingredients:

- 8 ounces Neufchatel cheese, softened
- ¼ cup chipotle peppers in adobo sauce, roughly chopped (remove and discard seeds for less spicy results)
- ¼ cup cilantro, chopped
- 1 thick or 2 thin green onions, chopped

In a food processor, combine cheese with peppers and adobo sauce until thoroughly combined. You will probably have to scrap down the sides of the food processor a few times. Pulse in the cilantro and green onion until combined. Put in serving bowl and serve with Tostitos.
