Lynn demonstrates how to make a great appetizer, Pizza Balls. This is a great appetizer for a Super Bowl party or any get together. From Pinterest.

## Ingredients:

- 3 cans Buttermilk Biscuits (10 ct.) -- you will have 2 biscuits leftover that will not fit into the pan
- 56 pepperoni slices (2 per biscuit)
- Block of Mozzarella, sliced into 28 squares
- 1 beaten egg
- Parmesan Cheese, grated
- Italian Seasoning
- Garlic Powder
- 1 jar pizza sauce, your choice

Preheat oven to 425°. Spray a glass 9 x 13" baking dish with cooking spray

Slice the cheese into approximately 28 squares. Flatten each biscuit and stack pepperoni, cheese and another slice of pepperoni in the center. Gather edges of biscuit and pinch together to form a roll. Line the rolls in pan. Brush with beaten egg. Sprinkle with Parmesan cheese, Italian seasoning and garlic powder. Bake at 425° for 15-18 minutes. Serve with warm pizza sauce for dipping.

\*If they start to get to brown on the top, tent with a piece of aluminum foil.
