Lynn demonstrates how to make Cherry Limeade. This is a delicious drink and makes enough for company. Great for a hot summer day.

Ingredients:

- $\frac{3}{4}$ cup lime juice
- 1 cup sugar
- 2 liters lemon/lime carbonated water, chilled
- $\frac{1}{2}$ cup maraschino cherry juice
- Extra cherries with stems and lime slices for garnish, optional

In a large pitcher add the lime juice, cherry juice and sugar. Stir to dissolve. Cover and refrigerate. Just before serving, stir the carbonated water into the mixture and mix well.

For serving, pour cherry limeade over ice and garnish with maraschino cherry and lime slice.
