In a large bowl, mix by hand flour, oats, salt, cinnamon and baking powder. Set aside.

In another bowl, mix sugar, oil, eggs, yogurt, applesauce and vanilla. Stir into dry ingredients by hand until just combined.

Scoop batter into the prepared loaf pan and bake for 45-50 minutes, or until a toothpick inserted into the center comes out clean.

Remove from oven and whisk together powdered sugar and applesauce for the glaze.

When the bread has cooled for a bit, pour the glaze over the top. It will settle into the cracks and keep the bread moist. The glaze will set slightly, but will remain sticky.
