This is a super easy, quick and kid friendly baked chicken recipe. Only a few ingredients are needed to make this great tasting chicken.

Ingredients:

- Chicken breasts, tenderloins or nuggets -- you can use as many as needed for the size of your family or the amount of people that you will be serving
- Melted butter -- again use the amount needed for the amount of chicken breasts that you are using
- Crushed Ritz Crackers or any other butter cracker that you prefer. This is also determined by the amount of chicken that you will be using
- Salt & Pepper

Lightly salt and pepper the chicken, then dredge it in the melted butter and then the crackers. Place in a baking dish that has been sprayed with cooking spray.

Bake uncovered in a preheated 350° oven. For the chicken breasts it will take about 45 minutes. The time will be shorter for the tenderloins and the nuggets. The chicken should be 180° internally when it is done.
